SUB: LAW OFFICERS - City - Proceedings in High Court, Madras - Records in proceedings in which State are not represented Production in Court - Procedure - Instructions.
***

In September 1951, instructions were issued to the Departments of the Secretariat that when a rule nisi is issued by the High Court in a petition for a writ, the records should be sent to the Law Officer concerned appearing on behalf of the Government for scrutiny and production in the Court.

2. Recently the Board of Revenue considered that in cases falling under the Tanjore Tenants and Pannaiyal Protection Act, 1952, it would be sufficient if the Collector referred to it only such important cases when it would be necessary to enter defence on behalf of the officers who were impleaded as respondents and that in cases where mere production of records is ordered, the Collector might send the records direct to the High Court. The Board has requested whether the procedure outlined above could be followed.

3. In such cases, it is open to the Government to depute the Law Officer concerned and that it will be advantageous to request the Law Officer to produce the documents in the High Court although he may not be appearing in the proceeding on behalf of the Government. The Registrar, High Court should also be informed that the documents will be produced

through the Law Officer concerned.
